Immigrants Make America Strong

Created by the members of the
"IMAS" committee

Purpose:

Influence our communities, churches and
elected leaders, **increasing awareness** of the
positive contributions that immigrants bring to
this nation.

With God before us, we will one day **win a fair
and humane immigration reform**. But first we
must **counter anti-immigrant rhetoric** and
change perceptions of immigrants in the
United States.

Together we will work to support each other
**giving voice to the orphan, the widow, and the
foreigner.**

(Deuteronomy 10:18)

SPECIFIC REQUESTS

- Cancellation of deportation orders for immigrant workers of good moral character
- An end to the hate and racism targeting immigrants.
