

Dear MIRA Coalition members,

On behalf of the MIRA staff, I want to take this opportunity to thank you for partnering with the MIRA Coalition! We are grateful - especially as we look forward to 2025 - to have so many strong partners who we know will show up and speak up for immigrant rights.

This year has been a positive one for the MIRA Coalition in deepening relationships with so many of your organizations. Our team has been constantly out in the community, attending events, joining festivals and hosting regional meetings and trainings.

And, we are especially proud this year to have created several new opportunities to partner with all of you, our member organizations:

- We launched the SUN Fellowship, to equip members around telling your stories.
- We created a Community Representation Fellowship to support organizations in becoming accredited by the Department of Justice.
- We sub-granted funds to more than 20 organizations for legal and translation services through the IAS and TPS programs.

And if you want a further look back, I encourage you to take a look at the 2023 Annual Report, with some of our shared successes from 2023. Available at: <https://www.miracoalition.org/2023-annual-report/>.

Together, we are building a strong movement for immigrants rights in Massachusetts.

Gratefully,

Liz and the entire MIRA team
